

# Welcome Back to the Kids Club!

## COVID-19 Policy Update

*As we reopen the Kid's Club and Tumble Room the health and safety of our staff, members, and their children is our biggest concern. We have adopted new policies to directly address these concerns and will be start with a gradual opening. Initially we will be operating with reduced hours and reduced number of children but will expand as we further evaluate the situation.*

**Reservations:** Initially we will be limiting Kids' Club and the Tumble Room to a total of 10 children at a time. Parents and guardians will sign up for a specific timeslot. Reservations can be made up to a week in advance by calling the Front Desk. No walk-ins accepted.

Parents can arrive anytime during their reserved slot but can only stay for 1 ½ hours or until the end of their reserved slot.

**Arrival:** To eliminate congestion when checking into the Kids' Club you will need to call once you have arrived at the club. When the lobby is clear we will invite you in. Children's temperatures will be taken with a touchless forehead thermometer. **Children with temperatures over of 100.3 degrees will not be admitted.** After temperatures have been taken you will sign in and the children will head into the play area.

**Mask Policy: All staff will be wearing masks at all times.**

- Parents are required to wear masks while dropping off and picking up their child(ren).
- Children ages 2 and under should not wear a mask.
- Per State guidelines, "*when feasible, children age 5 years and older who can wear a cloth face covering safely and consistently should wear a cloth face covering while in the child care center*", however, "*Children should NOT be forced to wear a cloth face covering if they are not comfortable/able to do so safely*"

**Social Distancing:** Young children generally are unable to social distance. Kids' Club staff will offer independent play options but are unable to enforce strict social distancing measures.

**Cost:** \$2.00 per child per visit. Failing to show for a reserved time, without calling, will result in your account being assessed the \$5.00 per child fee.

**Cleaning:** Toys, surfaces, and other high touch areas will be cleaned throughout your child's time in the Kids' Club. In addition to that we have closed times between each reservation session to more thoroughly clean the play area. All toys, surfaces, and floors will be cleaned during these closed times. Restrooms and Lobby area will also be cleaned and sanitized regularly each day.

**Toys and Activities:** Some toys have been removed from the Kids' Club and Tumble Room to allow us to ensure a clean and safe environment (no dress up clothing). We normally are strong believers in sharing during playtime. In the near future we are going to discourage sharing toys. With the reduced number of children initially we are confident there will be plenty of toys to go around. We will also be continuing our crafts since they are great independent activities that children enjoy taking home.
