Using our Lap Pool/Spa

- We **highly encourage** all patrons to shower prior to entering the pool. There are two showers on the deck along with the ones in the private changing rooms.
- You can reserve your lane time online on the HU website or call the front desk for assistance. When signing up for a lane, you will now sign up for a specific lane depth and a specific lane side (A or B).
 - If you wish to swim for up to an hour you will need to reserve two, 30-minute slots in back-to-back times. Even though there will be no physical barrier between you and the person you are sharing the lane with, you will swim on the same side of the lane for your entire swim.
 - If you wish to have a lane to yourself, you may reserve two, 30-minute slots in the same lane at the same time (reserve A & B sides of lane).
 - If there is no one waiting for your lane at the end of your 30-minute workout, you may continue swimming until another patron requires the lane. Please be courteous and exit the pool when your time is up.
- The spa is OPEN: No reservation needed. Please continue to limit your time to a maximum of 15 minutes.
- Children are allowed to use the lap lanes only if they are swimming laps.
- Please stay home if you don't feel well or have been around someone who is ill.
